9. **COMMENTS FROM THE COUNCIL AND MAYOR**

**Dan Heathcock** asks about the status of the abatements that had been previously voted on. Is it not the city that does all that then puts a lien on it.

**Mayor Walker** no we don't do all that. You are talking about some big projects here.

**Dan Heathcock**, we voted to start the abatement process

**Mayor Walker** states to talk to Dennis since he is over all that

**Dennis Cook** states you have to give them 10 days by the city ordinance. We have already gone through those steps everything is completed.

**Mayor Walker**, I have not seen any of it.

**Dennis Cook**, you need to give the order to Billy to go clean up the property.

**Mayor Walker**, we don't have time for that.

**Dennis Cook** its an abatement we put it on the council agenda.

**Mayor Walker**, I have not seen any of that paper work

**Dennis Cook**, you don't have to, there is no paper work, we have already turn it over to the...

**Mayor Walker** there is no paper work? Why is he asking me then he ought to be asking you.

**Dennis Cook**, you have to give the order for your city crew to go clean it up.

**Mayor Walker**, have the council give them the order

**Dennis Cook**, you just don't want to give the order?

**Mayor Walker**, I got other things for them to do. You have a code enforcer have him do it. Usually, they hire someone to do it.

**Dan Heathcock** I can visit with the city crews.

**Mayor Walker**, you can visit with them but they work for me.

**Dan Heathcock** so they can't do nothing until you tell them.

**Mayor Walker** until I see the paper work that y'all are making me do this, signed and everything then I will.

**Dennis Cook**, we don't issue paper work. We issue reports we have documentation we got all that stuff.

**Mayor Walker**, why can't I see it?

**Dennis Cook**, I turned it in. its in your monthly reports

**Mayor Walker**, I did not see anything about telling them to go tear a house down

**Dan Heathcock** we are talking about mowing the weeds and grass

**Dennis Cook** there were three abatements we did last month

**Mayor Walker**, show me something that says I have to make them go do that. That's up to y'all. You can hire somebody.

**David Bailey** didn't the council vote on it?

**Mayor Walker**, I got things for them guys to do. We got all kinds of problems going on. To go over there to mow a yard when we got water breaks, a dam to fix.

**David Bailey** I am not arguing the issue on that, I'm saying we voted to do it. Whether you have them go do it or not that's up to you mayor. I don't understand things anymore.

**Mayor Walker** you're the vice mayor while I was gone you should have had them go do it.

**David Bailey**, we had not even voted on it.

**Mayor Walker**, it was voted on after that.

**David Bailey**, yes you were here.

**Mayor Walker** well I go out of town a lot too so if you want them to do it that's up to you.

**David Bailey**, I don't want to see all this town and this to keep going the way it is with nothing but chaos. There is no reason for it. We need to be working together this and that. I don't know what the problem is but I am getting tired of it. If we got to do things to change it, we will do things to change it.

**Mayor Walker** y'all went and made one big change, and screwed everything up so don't blame it on me.

**David Bailey**, we aren't blaming you, but we can make some more changes if it comes down to it. I am not wanting to argue.

**Mayor Walker**, I don't want to argue either.

**David Bailey**, I have always tried to help you with this and that but what we are doing here is sigh. Let's move on.

**Connie Poole** if an employee has issues what is the chain of command to get it resolved.

**Mayor Walker**, they come to me first.

**Connie Poole**, they come to you then you come to us and tell us.

**Mayor Walker**, when it comes time for the council meeting. If you want to know anything you can pick up the phone and ask me. No body ever calls me.

**Connie Poole** is there a policy handbook you hand out.

**Cindy Cooper**, we have a handbook, it states you go to your immediate supervisor which for city hall is the mayor, the police department would be Dennis then if they don't get it resolved they would go to **-interrupted by Connie**

**Connie Poole** is there one policy handbook they have to go look at? Is there not one you hand out to your employees?

**Cindy Cooper**, what do mean like when they get hired. We print it or make copies of it.

**Connie Poole**, do all the employees have a copy of that handbook.

**Cindy Cooper** they should. I don't know what they got before I was here.

**Connie Poole**, can I get a copy of it

**Cindy Cooper** yes.
