The reason why is because there are children and elderly people that will use that restroom. He doesn't want invest that much money for someone to come along and tear the building up. The proposed site is closer to the road so people can see it. Ed states we have a pad where are current kitchen area and has sewer pipe that goes to the City of Krebs sewer plant, so it will not cost more money. Instead of putting proposed site in the old location, and move it to the new location and hook it into the existing lines. The concession stand has two restrooms, we can disconnect or connect to those lines. Mayor Watkins calls for a motion to table. Daulfin Bennett makes the motion to table.
