

JOB OPENING – July 13, 2023

The City of Krebs Water Authority is needing a meter reader. Paid holidays, vacation, and sick leave. Retirement and insurance available.

WHERE : Krebs City Hall
5 NE Washington
Krebs, OK

POSITION : Meter Reader/Water Department Technician

JOB DESCRIPTION : Meter Reader/Operations/Water Department Technician. Applicants need to be skilled reading maps, understand mechanics of water meters, work outdoors, and ability to get in and out of vehicle several times per day. Be able to troubleshoot problems with water usage and meters. Self-motivated/starters. Must be able to communicate with all employees and supervisors at all levels of meter reading to correct problems. Needs to become accustomed and to recognize piping layout with direction of flow. Keep records updated as to any changes that occur to routes and other critical information. Need to have basic computer skills. Will be working with electronic equipment (i.e., handheld meter reader, electronic meters, electronic reading wands, etc). Must be able to get a Class D water and sewer operators license. Experience a plus.

Apply in person at Krebs City Hall or through Express Personnel Services.
