6. REVIEW CITY OF KREBS FINANCIAL STATEMENT WITH MIKE KERN. Mr. Kern asked everyone to turn to Schedule of General Fund Revenues and Expenses. For October we have received Revenues of \$135,061.07 and through the 4 months ending, we have received \$545,018.43. Total Expenses for October were \$148,918.07 so we spent \$13,857.00 more than we took in. Year to date for 4 months we have spent \$46,217.37 more than we took in and as in normal years, we have spent most of our capital money in the first part of the year. It's the same scenario that we usually experience so now we should start seeing revenues in excess of expenses because we have most of our capital purchases taken care of. I don't see any other issues. On the Street Department, the very first line item – Asphalt Street Dept ST – that is old monies collected years past and we had to spend that money on street and alley. As you can see we spent \$8,000 more than was in that account so on the next agenda I will have to approve the Street and Alley to pay back that \$8,311.41 to the General Fund because the General Fund shouldn't have had to pay for that. Any other comments or questions.
7. PUBLIC COMMENTS, QUESTIONS AND ANSWERS CONCERNING THE CITY OF KREBS BUSINESS. Betty Stafford addressed the council about blocking the alley on the south side of her house. She lives at 885 Cleveland since 1978 and recently we've had a lot of toys stolen from under our carport. Mayor Watkins asked Ed Klink if he would look into this.
